Year of Awards

BHBA was awarded the 2025 NABE - The Association for Bar Professionals/ LexisNexis Community & Education Outreach Award for our program, "A Guide to Property Damage Claims Following a Natural Disaster." BHBA also won first place in both the Continuing Legal Education Provider and Online CLE Provider categories in The Recorder's Best of 2025 awards!

At the heart of these achievements are BHBA's volunteer bar leaders and speakers. Our programs and CLEs are the result of attorneys, judges, and other experts generously sharing their time, insight, and experience to develop and deliver high-quality, award-winning content.
