

BEVERLY HILLS BAR ASSOCIATION MOURNS DEATH OF JUSTICE GINSBURG

The Beverly Hills Bar Association mourns the passing of U.S. Supreme Court Justice Ruth Bader Ginsburg. She was a champion of justice for all, with an abiding concern for those less privileged and powerful, particularly women and those in the LGBTQ community. She broke barriers throughout her career and her legacy of equality before the law is forever a part of our country's history. Our thoughts are with Justice Ginsburg's family as they mourn their terrible loss. We hope the enormity of her accomplishments, both personal and professional, provides some comfort during this very sad time.
